

AIRSPRINT STANDING

It has been over a year now since the start of the recession and although AirSprint Inc. has not been immune from its effects, we have faired well during the downturn.

For the first half of our fiscal year, which commenced February 1, 2009, we are 10% favourable versus our conservative recessionary budget thanks in large part to our strong customer base and effective cost management campaign. In response to the downturn, we eliminated all discretionary spending, right-sized our work force and implemented wages freezes. We are pleased to announce given our year-to-date positive performance and financial forecasts we are reversing wage freeze policies and have started, once again, the hiring process to ensure service quality as utilization continues to recover.

Aircraft Sales slowed at the beginning of the year but in recent weeks we have seen a strong resurgence with the addition of several new clients and more potential clients across Canada inquiring about and commencing negotiations for a fractional interest.

When will we be out of the recession? No one knows, but AirSprint Inc. is starting to see some positive signs.

Thank you for your continued support of AirSprint. We look forward to servicing your flying needs for years to come.

Silvana Caberlin, VP Finance

New Website

We have launched our new website! We redesigned the site to make it easy to click to information for both existing and prospective customers.

For clients who used our "Book A Flight" option in the old website, or clients who are interested in booking flights online now, please follow the instructions listed here.

Visit www.airsprint.com. Along the bottom right of all pages you may select "Members Login" and then click on "Book a Flight" and fill in the required information. Our Owner Services department will confirm your flight booking as usual.

Mike Weir

AirSprint is pleased to announce a recently founded partnership with Mike Weir, The Mike Weir Foundation, and Mike Weir Wineries.

Through this partnership, AirSprint is able to use Mike's name and likeness on our marketing materials and new website and will be inviting Mike to some of our special events. Mike has also become an AirSprint client and will be flying on our Citation XL/S fleet for some of his Canadian visits.
