**RE: PUBLIC DISCLOSURE OF DOMESTIC AND INTERNATIONAL
CHARTER TARIFFS**

To Whom It May Concern:

In accordance with the Air Transportation Regulations, AirSprint's International Charter Tariffs and Local Domestic Tariffs for publicly available charter flights are found below.

Please note, the Canadian Transportation Agency has determined that fractional ownership operations are not publicly available and thus not bound by a Charter Tariff. For further information on this topic please see:

Sincerely,
Phil Dewsnap, LL.B, MBA
Director, Flight Operations
