RULE 9. LIMITATION OF LIABILITY – PASSENGERS

For travel governed by the Montreal Convention

For the purpose of international carriage governed by the Montreal Convention, the liability rules set out in the Montreal Convention are fully incorporated herein and shall supersede and prevail over any provisions of this tariff which may be inconsistent with those rules.

For travel governed by the Warsaw Convention

Carriage hereunder is subject to the rules and limitations relating to liability established by the Warsaw Convention unless such carriage is not "international carriage", as defined by the Warsaw Convention. However, the carrier with respect to all international transportation, as defined in the said Convention, performed by it, agrees that the limit of liability for each passenger for death or wounding or other personal injury shall be limited to proven damages not to exceed the sum of SDR 100,000 exclusive of legal fees and cost.

For travel governed by either the Montreal Convention or the Warsaw Convention

Nothing herein shall be deemed to affect the rights and liabilities of the carrier with regard to any person who has willfully caused damage which resulted in death, wounding, or other bodily injury of a passenger.

RULE 10. LIMITATION OF LIABILITY FOR BAGGAGE OR GOODS AND EXCESS VALUATION CHARGES

For travel governed by the Montreal Convention

For the purpose of international carriage governed by the Montreal Convention, the liability rules set out in the Montreal Convention are fully incorporated herein and shall supersede and prevail over any provisions of this tariff which may be inconsistent with those rules.
For travel governed by the Warsaw Convention

Carrier liability for the loss of, damage to or delay in the delivery of any personal property, including baggage which are carried as checked baggage and goods, is limited to the sum of 250 francs per kilogram, unless the passenger or charterer, at the time of presenting such baggage or goods for transportation, has declared a higher value and paid an additional charge in accordance with the provisions of this Rule.

Regarding objects of which the passenger takes charge himself/herself the liability of the carrier is limited to 5,000 francs per passenger.

In the case of loss, damage or delay of part of property carried as checked baggage, the weight to be taken into consideration in determining the amount to which the carrier’s liability is limited shall be only the total weight of the property lost, damaged or delayed. Nevertheless, when the loss, damage or delay of a part of the property affects the value of other property covered by the same baggage check, the total weight of the property covered by the baggage check shall also be taken into consideration in determining the limit of liability.

The monetary unit referred to in this Rule shall be deemed to refer to the gold franc referred to in the Carriage by Air Act, R.S., c. C-26. For the purpose of settlement of claims and in the event of an action against the carrier, any sum in francs shall be converted into Canadian dollars by:

(a) converting francs into Special Drawing Rights at the rate of one Special Drawing Right for 15.075 francs; and

(b) converting Special Drawing Rights into Canadian dollars at the rate established by the International Monetary Fund.

The rate of exchange for converting Special Drawing Rights into Canadian dollars shall be the rate prevailing on the date on which the amount of any damage to be paid by the carrier is ascertained by a court or, in the event a settlement is agreed between carrier and claimant, on the date settlement is agreed.

NOTE: At the time of filing of this tariff provision, 250 francs convert to approximately CAD $33.00 and 5,000 francs convert to approximately CAD $660.00. These converted values are provided for general reference only. Carrier’s liability will be calculated for each claim individually, based on the formula set out in this Rule.
For travel governed by either the Montreal Convention or the Warsaw Convention

If the passenger or charterer does elect to declare a higher value an additional charge shall be payable and the carrier’s liability will not exceed the higher value declared. The additional charge shall be calculated as follows:

(a) The amount of the carrier’s liability calculated in accordance with the parts of this Rule set out above shall be referred to as "basic carrier liability";

(b) No charge shall be payable on that part of the declared value which does not exceed basic carrier liability;

(c) For that part of the declared value which does exceed basic carrier liability, a charge shall be payable at the rate of CAD 0.10 cents for each CAD $100.00 or fraction thereof.

Whether the passenger or charterer declares value or not, in no case shall the carrier’s liability exceed the actual loss suffered by the passenger. All claims are subject to proof of amount of loss.

In the case of damage or partial loss, the person entitled to delivery must complain to the carrier forthwith after discovery of the damage or partial loss, and, at the latest, within seven days from the date of receipt of the baggage. In the case of delay, the complaint must be made at the latest within twenty-one days from the date on which the baggage has been placed at his disposal. In the case of loss, the complaint must be made at the latest within twenty-one days from the date the baggage should have been delivered. Every complaint, whether for loss, partial loss, damage or delay, must be made in writing and must be dispatched within the times aforesaid. Failing complaint within the times aforesaid, no action shall lie against the carrier.

RULE 11. LIMITATION OF LIABILITY – SERVICE ANIMALS

Should injury to or death of a service animal result from the fault or negligence of the carrier, the carrier will undertake to provide expeditiously, and at its own expense, for medical care, or, replacement of the animal.
RULE 12. SUBSTITUTION OF AIRCRAFT

(a) When, due to causes beyond the control of the carrier, the aircraft chartered is unavailable at the time the charter commences or becomes unavailable while carrying out the charter, the carrier may furnish another aircraft of the same type or, with the consent of the charterer, substitute any other type at the rates and charges applicable to the aircraft originally chartered except as provided in paragraphs (b) and (c).

(b) When the substituted aircraft is capable of larger payload than the original aircraft chartered, the payload carried in the substituted aircraft will not be greater than the payload which would have been available in the aircraft originally chartered, unless the charterer agrees to pay the rates and charges applicable to the substituted aircraft.

(c) When the maximum payload of the substituted aircraft is smaller than the maximum payload of the original aircraft chartered, charges will be based on the rates and charges applicable to the type of substituted aircraft.

RULE 13. PAYMENT REQUIREMENTS

(a) Payments for a charter flight made to any person to whom the carrier, directly or indirectly, has paid a commission or has agreed to pay a commission with respect to such flight, shall be considered payment to the carrier.

(b) The charterer shall be invoiced for the cost of the flight as indicated in this document. For late payments exceeding 30 days from the date of the invoice there is an interest charge of 18% per annum.

RULE 14. CANCELLATION CHARGES

(Charter flight cancelled within 36 hours of the proposed departure time shall be subject to a cancellation payment. Payments for a cancelled flight shall accord with rule 12 and shall not exceed 50% of the estimated cost to complete the proposed itinerary.)

For explanation of abbreviations, reference marks and symbols used but not explained hereon, see Page 3.

RULE 15. TICKETS

The carrier does not issue tickets. Subject to the contract between the carrier and the charterer, prior to the flight, the charterer will provide a list of all the passengers’ names to the carrier.

RULE 16. PASSENGER RE-ROUTING

The carrier is not liable to any passenger when he/she misses his/her flight. In these instances, no other flight alternative is offered by the carrier to the passenger.
